

Body Dimensions for Size 3 and 4 Figures

The two figures above are wearing size 4 and size 3 off-the-rack children's tuxedos. The following diagrams show the body dimensions needed to get a perfect fit for these two outfits without having to modify the clothes. The only modifications are the hand slits added to the backs of the shirts and jackets to allow the ventriloquist to manipulate the figures.

Size 3 Ventriloquist Figure Body Dimensions

Size 4 Ventriloquist Figure Body Dimensions
